“ I'm so sorry to hear the sad news of Boris passing. I have known him since I moved here in 2003. He was a very good man. I enjoyed my visits with him and his wife. He was an excellent old world craftsman. RIP Boris.

“ My father was a great man who always said it the way he sees it. There were good times and bad. But through it all, he always told me to be a man, be strong, never give up no matter what and, no matter how tough life gets. Be strong, take care of your mother and your family. I do my best and so does the rest of the family, for which my dad and I thank you.

God bless you dad, I love you and will always miss you pop's. Thank you so much for everything.
