“ Dear Jackie,  
So sorry to hear about Jim, he was such a wonderful man. We had more fun hanging around with him and his Brother Addie when we were in high school together. Last time Ron and I saw him was a visit to his sister-in-law's house next door. As hard as it was for him to breathe, he still had a laugh or two in him. He will be missed we are sure by you and his family. Ron & Janet Steffler

“ Great memories of the many family gatherings and the fun times. Especially remember all the stuffed animals that Uncle Jim won for our girls to play with, I think we still have some! I'm sure he's with his brothers and sisters in a better and happy place. Steve
