

## Judy C. Allen

December 19, 1949 - July 4, 2020

Judy Allen, 70, of St. Petersburg, Florida and Morganton, Georgia passed away Saturday, July 4, 2020 in Port Charlotte, Florida.

Judy was born December 19, 1949 in Providence, Rhode Island to the late Antonetta Flori and Louis Paolino of Cranston, Rhode Island.

She worked for many years as a registered nurse eventually taking her career to the St. Petersburg area where she met the love of her life Thomas J. Allen who predeceased her. Judy and TJ eventually settled in a lovely home in St. Petersburg where they enjoyed sailing and hosting many dinner parties and Sunday afternoon football gatherings. An avid Buccaneers fan, Judy cheered loudly every game sometimes to the chagrin of her neighbor across the canal (He was a Packers fan).

Judy hosted a birthday dinner every year for each of her close friends encouraging them to choose their favorite dishes and dessert. The birthday honoree was required to wear a crazy yellow hat while everyone sang happy birthday. It was always a great time.

Her birthday dinners were only surpassed by her Thanksgiving and Christmas parties. Her Christmas tree decorations had a different theme every year and she always decorated it on her birthday, a tradition she held dearly from her childhood.

Judy's love of people was matched only by her love for dogs. Besides her own (Bogie and Tilly who predeceased her and Abby and Gabby), Judy regularly watched her friends' and neighbors' dogs in both St. Petersburg and Morganton.

Although Judy passed away at the age of 70, she will always be 39 in our hearts. We know heaven just got a little louder.

Besides TJ and her parents, Judy was also predeceased by her sister Marie Paolino Alfred of Narragansett, Rhode Island.

Judy is survived by her sister: Barbara Paolino Badarak of Riverside, CA; nieces: Ami J. Flori of Yucca Valley, CA; Stephanie Alfred Hilliker (Brian) of Portland, OR; nephew: Michael Alford of Bloomington, IL along with many loving cousins and friends including but certainly not limited to Helen, Lisa, Tanya and Denise.

She is also survived by David (Kelley) Campoli of Port Charlotte, Florida who Judy always considered her son. She was a fabulous doting grandmother ("Nanny") to Katie Campoli to whom she taught many wonderful things and took on many adventures. She was

predeceased by her grandson David Chase Campoli who she helped take care of after his unfortunate accident. Nanny loved her Chaseman.

Judy will be interred with her loving husband TJ at Sarasota National VA Cemetery at a later date. (<http://www.cem.va.gov>)

“ Judy and I have been friends since the late 70 's we were nurses together at the Miriam Hospital . Judy and I maintained a close and loving relationship throughout all these years and I was so sorry to hear of her passing. I spoke with her many times while TJ was ill and for a while after until her untimely accident. I will always love Judy deep in my heart I know she's together with TJ and he was the love of her life. Love you Judy. See you on the other side. Mary.

“ Oh, Judy, Judy, Judy I can't believe your gone!  
All of the memories, all of the dinners and parties will stay with me forever. Who's going to make the oyster stuffing, the Chile relleno's, the eggplant parmasian and of course the blueberry cake (TJ's fav)? How about the stuffed squid and pesto pizza with shrimp? You were one heck of a cook!  
May God bless you and keep you!  
All our love to you and TJ,  
First your friend then your neighbor!!!

“ Judy was a kind, loving human being. The life of any party, she loved to tell jokes, and always TALKED WITH HER HANDS. She would say "Excuse me I am speaking" when she wanted to make a point. I will miss our 4 o'clock cocktail and BS hour. My dear friend for over 30 yrs, gone but never forgotten. Party on Ms. Judy, give my love to TJ and John. Helen
