“ Honoring you on this Father's Day Papa. Thank you for all the good memories that I have of you. I miss simple things like looking up at the clouds and you telling me what it was like to sky dive. I miss talking with you about everything under the sun, and listening to music. I miss you teaching me how to cook your kind of food. You are missed, and forever loved. Rest in peace in the arms of our Savior.-Heidi

“ Mike was our mini golf tournament photographer for a few years, and I appreciated his willingness to use one of his many talents for us. He took great pics and I missed him and his photography skills when he moved to FL! Loved his smile and sense of humor. No more pain..RIP with the angels.
