“ I remember spending time as a child in Ocean City, Beach Haven, and Maple Dam Rd. with his son Alan, my family and my sister Shirley, when I was young. Great memories...

“ To my Grandpop,

Swimming together in your pool, playing cards at every visit, watching the Price Is Right, learning the tricks of Ms. Pacman from you and your arcade machine in the dining room, and practically living at your house through the summer, and every day after school are my fondest memories of you. I will always hear your laugh, and remember how silly and ornery you were. I love you and miss you. Watch over Grandmom and help her navigate this world without you.
