“ Tom and I were good friends during our Senior year at Needham High school and for some years after that. Back then he drove an old red MG 1100 car and we were both motor heads.

I remember him as being a kind and generous person with a great sense of humor. He was always ready for any adventure that would come along. Tom and I and my brother hitchhiked cross country in the Spring of 1972. We spent some time living in Portland, Oregon and eventually returned to Needham, MA several months later. I have only happy memories of our friendship!
